- Here's what some past participants have said about The Pelletier Guitar and**

Their goal is to 'bump you up a notch' and give you the tools to take home to progress at your own speed. The camp allows only 30 - 35 participants per week to better serve each person's needs. Small classes allow optimal time with the instructor and some one on one. Each day has four scheduled hours of group instruction with plenty of practice time. The last class of each day will feature workshops as outlined on the inside of the brochure. Evening concerts by instructors and any participant who wishes to perform are open to the public. **The only rule of the camp is to have fun!**

Join **Freddie, Sheila and Clint Pelletier** at their vacation farm 7 km east of Birch Hills, Saskatchewan for a camp experience you won't forget! Nestled on a hillside with a panoramic view of brilliant canola fields and poplar forest, this setting will inspire you and allow your creativity to flow.
